Christmas Recycling Week: 27 - 31 December 2010

Last Christmas you recycled a huge amount of paper, cardboard, plastic and cans. We would like to say a big thank you to all our dedicated recyclers for your support.

Christmas 2010 should be even better as we will not be suspending the recycling collections on Bank Holiday Monday or Tuesday. Recycle now! It's easy.

Remember, throughout the year, we will take as much recycling as you can put out. Additional recycling can be put in clear/carrier bags (not black sacks).

Please note that your waste and recycling must be placed out on the day of collection at the kerbside by 7.00 am. Do not overfill your wheelie bin and make sure the lid is closed. Additional waste left at the side of your wheelie bin will NOT be collected. To assist with hygiene can you please wash your plastics, cans and glass items.

If you cannot remember your collection day or have any questions please call our Customer Contact Centre on: **01604 83 82 81**
